CLIENT
Burnage Academy For Boys

Exceeding
Expectations

Constant
Communication

Minimum
Disruption

Building Projects were appointed to complete an extension to the existing academy. Communication and co ordination were vital as the school operated as normal throughout the duration of the works.

Challenge

Building Projects were appointed to complete an extension to the existing academy. Communication and co-ordination were vital as the school operated as normal throughout the duration of the works.

Works Completed

- Health and Safety Management
- Projects Management
- Ground works & drainage
- Roofing works
- New Partitioning
- New burgess ceiling
- IPS, cubicles and vanity installation
- New external cladding installation
- New external windows & doors
- Full Mechanical works
- Full Electrical works
- Decoration
- Testing & Commissioning
- Specialist finishes
- New carpet & vinyl flooring throughout
- New access control

Benefits

Building Projects Group managed to hand over the completed new build on-time and within budget. There was no disruption brought to the client throughout the duration of the works, with the school being able to carry on with daily operations as normal. Building Projects assisted with any minor works which arose from elsewhere within the building while on-site, offering a helping hand and assisting where needed with any works out-side of the scope.
